SIGN-UP FOR Your Selections for 2010-11 Fellowship Groups -- **You must sign-up for these groups annually.**

Our Club offers a variety of fellowship groups to foster camaraderie among the Club members outside of our regular meetings and committee activities. This is a great way to make, renew and cement friendships in a relaxed, fun environment.

Select as many of these fellowship groups as you wish to join or list a group you would like to be in charge of creating. Fellowship groups are organized for fun and interest – that’s all; but what better reason for a Club whose members know that from association come avenues for service?

Return your selections: see above for fax or mailing address; or drop it off at a club meeting or send an email to the Rotary office at office@rotarymadison.org. Enjoy!

Juli Aulik
2010-2011 President
