Speed Rotary II—Join Us!

Next Wednesday, May 30, at the Inn on the Park, the program is YOU!
Due to the success of Speed Rotary last year, club members asked for a repeat of the program. An enthusiastic team of volunteers has planned an improved Speed Rotary II. Get ready to have some fun next week!

You’ll have the chance to have several 5-minute conversations with colleagues and learn more about them. Participants last year described the program this way:
“Great forum to meet people within the Club.”
“A chance to meet new people.”
“FUN! Met new folks.”
“Excellent conversation.”
“Easy and fun.”
“Great way to meet more people than usual.”
The program contributes to objectives in our club’s strategic plan:
1. To increase networking opportunities at weekly meetings, and
2. To help members get to know each other at meetings to build relationships.

Bring business cards to share your contact information in case you want to meet outside of Rotary meetings. We’ll supply paper in case you don’t bring cards.

Bring guests! This is a great opportunity for your guests to get to know people in Downtown Rotary. If you do plan to bring guests, please contact the Rotary office by Tuesday noon (email rotaryoffice@rotarymadison.org or phone 255-9164).

If you didn’t participate in Speed Rotary last year, here’s a link to a video from that enjoyable interactions:

2012 Rotary Scholars  continued from page 1...

These generous scholarships have been made possible through eleven named scholarship funds within our Madison Rotary Foundation: Nathan F. Brand, Frederic Brandenburg, Harry French, Perry & Virginia Henderson, Louis Hirsig, Thomas Leonard, Irving and Dorothy Levy Family, Andrew A. McBeath, Regina M. Millner, Synergy Fund and Mike & Pat Wilson. (For more details on these generous donors, please see last week’s newsletter.)

Our Madison Rotary Foundation Scholarship Committee annually selects students from each high school in accordance with the wishes of the donors. The chosen applicants are students with high academic standing and with character and leadership ability who have made contributions to their schools and communities and have financial need.

This year’s group of scholars had the benefit of hearing from a past recipient, Dot McDonald, who received a Harry L. French scholarship in 2008.

The Rotary Club of Madison and the Madison Rotary Foundation wish to thank the members of the Scholarship Committee for their hard work in selecting this year’s recipients: Regina Millner (chair), Dick Goldberg, Tom Popp, Ellie Schatz, Wes Sparkman, John Uselman, Cheryl Weston and David Worzala. We also thank Rotarians who will be serving as mentors to these scholars during their upcoming college years.

We also appreciate the efforts of our photographer John Bonsett-Veal who provided us with a group photo of the this year’s recipients.

As always, the awards program is a motivation for all Rotarians to provide financial resources for the Madison Rotary Foundation Scholarship Program.

Our congratulations to the 22 students receiving this year’s scholarships and best wishes for their future endeavors!

Thank you to Members Receiving Paul Harris Fellows

The Madison Rotary Foundation and the Rotary Foundation of Rotary International are complementary, one to the other, and both are worthy of support by all Madison Rotarians. Our club completed its annual drive for the local Madison Rotary Foundation in January. Members are also asked to give to The Rotary Foundation of Rotary International via a check off item on the semi-annual dues billing. Member support of The Rotary Foundation of Rotary International is the key to serving communities worldwide in Rotary’s areas of focus, which are peace and conflict prevention/resolution, disease prevention and treatment, water and sanitation, maternal and child health, basic education and literacy, and economic and community development.

Thank you to all Rotarians who contributed to The Rotary Foundation of Rotary International this year, and a special thank you to members who received Paul Harris Fellows this year. Member contributions are tallied and, once donations reach $1,000, a member is eligible to be recognized as a Paul Harris Fellow.

Thank you to Rotarians who received a Paul Harris Fellow during the current Rotary year: Frank Byrne, Tom Bush, Martha Casey, Gordy Christensen, Chuck Dorgan, Gene Farley, Jim Guither, Karl Gutknecht, Ralph Hawley, Brad Hutter, Roth Judd. Ted Long, Tom Lucas, Kathryn McGowan, Steve Mixtacki, Dick Moll (in honor of Marge Sutinen), Jacqui Sakowski, Bob Shumaker, Larry Smith, Jack Stevenson, Mark Stover, Rob Stroud, Jim Taylor, Jon Udell and Jane Wegenke.

Individuals receiving their first Paul Harris Fellow receive a pin and a certificate. For each additional $1000 level, individuals receive a special pin with a sapphire stone for each additional Paul Harris Fellow.

When you receive your dues bill in mid-June, we hope you will consider adding an amount for The Rotary Foundation of Rotary International.

Rotary Polio Awareness Event
Wednesday, June 6, 5 – 7 pm
Madison Children’s Museum
Cocktails and light hors d’oeuvres will be served

We invite Rotarians and guests to attend a special event on Wednesday, June 6, from 5 to 7 pm, at the Madison Children’s Museum, to learn more about Rotary’s amazing efforts to eradicate Polio from the face of the earth.

This month, Rotarians celebrated two major milestones in our decades-long fight to rid the world of polio: 1) During the 2012 Rotary International Convention in Bangkok, Thailand, Rotarians were congratulated for meeting and exceeding Rotary’s $200 Million Challenge, Rotary’s response to $355 million in matching grants from the Bill & Melinda Gates Foundation for polio eradication efforts; and 2) Rotarians also celebrated India’s removal from the polio-endemic list in February, which leaves only three countries where transmission of the virus has never been stopped.

Did you know that our own Rotary Club of Madison has raised $256,000 through two separate campaigns (1987 and 2002)? Attend our Rotary Polio Awareness Event and learn more about Rotary’s important challenge in working to eliminate Polio from the world.

So that we can plan for sufficient space, please make a reservation to attend by contacting the Rotary office at rotaryoffice@rotarymadison.org or 255-9164 by June 1.

Interested in Serving on a Madison Rotary Foundation Committee?

In addition to a variety of club committees and fellowship groups from which members can choose to serve, there are also several appointments made to Madison Rotary Foundation Committees. We are interested in hearing from members who would like to be considered for any of the following Foundation Committees:

The Major Gifts Committee has the responsibility for encouraging major gifts as well as bequests, memorials, special gifts and other programs to increase the Foundation’s assets. The committee is a nine-member committee with three members appointed annually to serve three-year terms.

Goodman-Rotary 50+ Fitness Program Advisory Committee oversees this endowment fund that is managed by the Madison Rotary Foundation and is made possible by the generosity of the late Robert and Irwin Goodman. The program provides healthy lifestyle instruction to over 1,000 seniors in the Madison area through the Madison School-Community Recreation Program. One member is appointed each year to serve a three-year staggered term.

The Investment Committee meets at least once per year to review the investment performance for the foundation’s three funds—the General Fund, The Goodman Fund, and the Scholarship Fund. The committee makes recommendations to the trustees regarding any changes in investments. The committee is comprised of six members with two selected annually to two-year terms.

The Scholarship Committee annually selects students in accordance with the wishes of the donors. Applicants chosen are students with high academic standing with character and leadership ability who have made contributions to their schools and communities and have financial need. The Scholarship Fund currently awards four-year college scholarship assistance to up to 21 high school seniors each year through named scholarship funds within our Madison Rotary Foundation. The committee consists of seven members with two appointed annually to three-year terms.

If you have an interest in serving on any of these Foundation committees during the upcoming Rotary year, please contact the Rotary office (255-9164 or rotaryoffice@rotarymadison.org).
