2. Bylaws: The bylaws of this club.
3. Director: A member of this club's Board of Directors.
4. Member: A member, other than an honorary member, of this club.
5. RI: Rotary International.
6. Year: The twelve-month period which begins on 1 July.

Article 2 Name

The name of this organization shall be the Rotary Club of Madison (Member of Rotary International)

Article 3 Locality of the Club

The locality of this club is as follows: includes all of Dane County, Wisconsin, except the cities, villages, towns (or portions thereof) listed on Appendix A.

Article 4 Object

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First. The development of acquaintance as an opportunity for service;

Second. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third. The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

¹ This revision reflects the 1992, 1995, 1998 2001, 2004 and 2007 enactments of the Council on Legislation. This constitution was first adopted to conform (except for variances) to the Standard Club Constitution in 1989. The adoption of this Constitution by the Rotary Club of Madison on December 13, 1989, was conditioned upon the following:

- (a) Any portions of the Rotary International Standard Club Constitution which are inconsistent with the list of variances attached to the Resolution dated December 13, 1989, do not apply to the Rotary Club of Madison.
- (b) The variances from the Standard Club Constitution must first be recognized in writing by Rotary International before repeal of the Constitution in effect on December 13, 1989, and adoption of the Standard Club Constitution with variances become effective.
- (c) Adoption of this Constitution does not take effect until receipt of the written recognition by Rotary International of all Rotary Club of Madison variances.

The Bylaws Committee considers the conditions satisfied and the variances valid. A letter dated November 7, 1991, from Dennis G. Swenson, Manager of the Canada and USA Department of R1, expressly approved all but one of the variances. As to that one, see notes to Article XVII.

Article 5 Five Avenues of Service

Rotary's Five Avenues of Service are the philosophical and practical framework for the work of this Rotary club.

1. Club Service, the first Avenue of Service, involves action a member should take within this club to help it function successfully.
2. Vocational Service, the second Avenue of Service, has the purpose of promoting high ethical standards in businesses and professions, recognizing the worthiness of all dignified occupations, and fostering the ideal of service in the pursuit of all vocations. The role of members includes conducting themselves and their businesses in accordance with Rotary's principles.
3. Community Service, the third Avenue of Service, comprises varied efforts that members make, sometimes in conjunction with others, to improve the quality of life of those who live within this club's locality or municipality.
4. International Service, the fourth Avenue of Service, comprises those activities that members do to advance international understanding, goodwill, and peace by fostering acquaintance with people of other countries, their cultures, customs, accomplishments, aspirations, and problems, through reading and correspondence and through cooperation in all club activities and projects designed to help people in other lands.
5. New Generations Service, the fifth Avenue of Service, recognizes the positive change implemented by youth and young adults through leadership development activities, involvement in community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding.

Article 6 Meetings

Section 1 – Regular Meetings.

- (a) *Day and Time.* This club shall hold a regular meeting once each week on the day and at the time provided in the bylaws.
- (b) *Change of Meeting.* For good cause, the board may change a regular meeting to any day during the period commencing with the day following the preceding regular meeting and ending with the day preceding the next regular meeting, or to a different hour of the regular day, or to a different place.
- (c) *Cancellation.* The board may cancel a regular meeting if it falls on a legal holiday, including a commonly recognized holiday, or in case of the death of a club member, or of an epidemic or of a disaster affecting the whole community, or of an armed conflict in the community which endangers the lives of the club members. The board may cancel not more than four regular meetings in a year for causes not otherwise specified herein provided that this club does not fail to meet for more than three consecutive meetings.

Section 2 – Annual Meeting. An annual meeting for the election of officers shall be held not later than 31 December as provided in the bylaws.

Article 7 Membership

Section 1 – General Qualifications. This club shall be composed of adult persons of good character and good business, professional and/or community reputation.

Section 2 – Kinds. This club shall have two kinds of membership, namely: active and honorary.

Section 3 – Active Membership. A person possessing the qualifications set forth in article 5, section 2 of the RI constitution may be elected to active membership in this club.

Section 4 – Transferring or Former Rotarian.

(a) *Potential Members.* A member may propose to active membership a transferring member or former member of a club, if the proposed member is terminating or has terminated such membership in the former club due to no longer being engaged in the formerly assigned classification of business or profession within the locality of the former club or the surrounding area. The transferring or former member of a club being proposed to active membership under this section may also be proposed by the former club. The classification of a transferring or former member of a club shall not preclude election to active membership even if the election results in club membership temporarily exceeding the classification limits. **[VARIANCE 2010]** ~~Potential members of this club who are current or former members of another club who have debts to the other club are ineligible for membership in this club. This club may demand that a potential member present written proof that no money is owed to the other club. The admission of a transferring or former Rotarian as an active member pursuant to this section shall be contingent upon receiving a certificate from the board of the previous club confirming the prospective member's prior membership in that club.~~

[VARIANCE 2010] (b) ~~*Current or Former Members.* This club shall provide a statement whether money is owed to this club when requested by another club with respect to a current or former member of this club being considered for membership in the other club.~~

Section 5 – Dual Membership. No person shall simultaneously hold active membership in this and another club. No person shall simultaneously be a member and an honorary member in this club. No person shall simultaneously hold active membership in this club and membership in a Rotaract club.

Section 6 – Honorary Membership.

(a) *Eligibility for Honorary Membership.* Persons who have distinguished themselves by meritorious service in the furtherance of Rotary ideals and those persons considered friends of Rotary for their permanent support of Rotary's cause may be elected to honorary membership in this club. The term of such membership shall be as determined by the board. Persons may hold honorary membership in more than one club.

(b) *Rights and Privileges.* Honorary members shall be exempt from the payment of admission fees and dues, shall have no vote, and shall not be eligible to hold any office in this club. Such members shall not hold classifications, but shall be entitled to attend all meetings and enjoy all the other privileges of this club. No honorary member of this club is entitled to any rights and privileges in any other club, except for the right to visit other clubs without being the guest of a Rotarian.

Section 7 – Holders of Public Office. Persons elected or appointed to public office for a specified time shall not be eligible to active membership in this club under the classification of such office. This restriction shall not apply to persons holding positions or offices in schools, colleges, or other institutions of learning or to persons who are elected or appointed to the judiciary. Members who are elected or appointed to public office for a specified period may continue as such members in their existing classifications during the period in which they hold such office.

Section 8 – Rotary International Employment. This club may retain in its membership any member employed by RI.

Article 8 Classifications

Section 1 – General Provisions.

(a) *Principal Activity.* Each member shall be classified in accordance with the member's business, profession, or type of community service. The classification shall be that which describes the principal and recognized activity of the firm, company, or institution with which the member is

connected or that which describes the member's principal and recognized business or professional activity or that which describes the nature of the member's community service activity.

- (b) *Correction or Adjustment.* If the circumstances warrant, the board may correct or adjust the classification of any member. Notice of a proposed correction or adjustment shall be provided to the member and the member shall be allowed a hearing thereon.

Section 2 – Limitations. This club shall not elect a person to active membership from a classification if the club already has five or more members from that classification, unless the club has more than 50 members, in which case, the club may elect a person to active membership in a classification so long as it will not result in the classification making up more than 10 percent of the club's active membership. Members who are retired shall not be included in the total number of members in a classification. The classification of a transferring or former member of a club, or a Rotary Foundation alumnus as defined by the board of directors of RI, shall not preclude election to active membership even if the election results in club membership temporarily exceeding the above limitations. If a member changes classification, the club may continue the member's membership under the new classification notwithstanding these limitations.

Article 9 Attendance

Section 1 – General Provisions. Each member should attend this club's regular meetings. A member shall be counted as attending a regular meeting if the member is present **[VARIANCE]** ~~for at least 60 percent of the meeting~~, or is present and is called away unexpectedly and subsequently produces evidence to the satisfaction of the board that such action was reasonable, or makes up for an absence in any of the following ways:

- (a) *14 Days Before or After the Meeting.* If, within fourteen (14) days before or after the regular time for that meeting, the member

 - (6) attends a board meeting or, if authorized by the board, a meeting of a service committee to which the member is assigned; or
 - (7) participates through a club web site in an interactive activity requiring an average of 30 minutes of participation.

When a member is outside the member's country of residence for more than fourteen (14) days, the time restriction shall not be imposed so that the member may attend meetings in another country at any time

during the travel period, and each such attendance shall count as a valid make-up for any regular meeting missed during the member's time abroad.

- (b) *At the Time of the Meeting.* If, at the time of the meeting, the member is

Section 3 – *Excused Absences.* A member's absence shall be excused if

- (a) the absence complies with the conditions and under circumstances approved by the board. The board may excuse a member's absence for reasons which it considers to be good and sufficient. **[VARIANCE 2010]** ~~Such excused absences shall not be extended for longer than twelve months.~~

Section 5 – *Attendance Records.* In the event that a member whose absences are excused under the provisions of subsection 3(b) or section 4 of this article attends a club meeting, the member and the member's attendance shall be included in the membership and attendance figures used to compute this club's attendance.

Article 10 Directors and Officers

If an appeal is taken, the action taken by the club shall be final.

Section 4 – *Officers.* The club officers shall be a president, a president-elect, and one or more vice-presidents, all of whom shall be members of the board, and a secretary, a treasurer, and a sergeant-at-arms, who may or may not be members of the board as the bylaws shall provide.

Section 5 – *Election of Officers.*

- (a) *Terms of Officers other than President.* Each officer shall be elected as provided in the bylaws. Except for the president, each officer shall take office on 1 July immediately following election and shall serve for the term of office or until a successor has been duly elected and qualified.
- (b) *Term of President.* The president **[VARIANCE]** shall be a director of the board when elected and shall be elected as provided in the bylaws, not more than two (2) years but not less than eighteen (18) months prior to the day of taking office and shall serve as president-nominee upon election. The president shall take office on 1 July and shall serve a period of one (1) year or until a successor has been duly elected and qualified.
- (c) *Qualifications.* Each officer and director shall be a member in good standing of this club. The president-elect shall attend the district presidents-elect training seminar and the district assembly unless excused by the governor-elect. If so excused, the president-elect shall send a designated club representative who shall report back to the president-elect. If the president-elect does not attend the presidents-elect training seminar and the district assembly and has not been excused by the governor-elect or, if so excused, does not send a designated club representative to such meetings, the president-elect shall not be able to serve as club president. In such event, the current president shall continue to serve until a successor who has attended a presidents-elect training seminar and district assembly or training deemed sufficient by the governor-elect has been duly elected.

Every member shall pay an admission fee and annual dues as prescribed in the bylaws, except that any transferring or former member of another club who is accepted into membership of this club pursuant to article 7, section 4 shall not be required to pay a second admission fee. A Rotaractor who ceased to be a member of Rotaract within the preceding two years, who is accepted into membership of this club, shall not be required to pay an admission fee.

Article 12 Duration of Membership

Section 1 – Period. Membership shall continue during the existence of this club unless terminated as hereinafter provided.

Section 2 – Automatic Termination.

- (a) *Membership Qualifications.* Membership shall automatically terminate when a member no longer meets the membership qualifications, except that
 - (1) the board may grant a member moving from the locality of this club or the surrounding area a special leave of absence not to exceed one (1) year to enable the member to visit and become known to a Rotary club in the new community if the member continues to meet all conditions of club membership;
 - (2) the board may allow a member moving from the locality of this club or the surrounding area to retain membership if the member continues to meet all conditions of club membership.

Thereafter, the board, by a majority vote, may terminate the member's membership.

Section 5 – Termination – Other Causes.

- (a) *Good Cause.* The board may terminate the membership of any member who ceases to have the qualifications for membership in this club or for any good cause by a vote of not less than two-thirds of the board members, at a meeting called for that purpose. The guiding principles for this meeting shall be article 7, section 1, and The Four-Way Test; ~~[VARIANCE 2010] and the high ethical standards that one should hold as a Rotary club member.~~
- (b) *Notice.* Prior to taking any action under subsection (a) of this section, the member shall be given at least ten (10) days' written notice of such pending action and an opportunity to submit a written answer to the board. The member shall have the right to appear before the board to state the member's case. Notice shall be by personal delivery or by registered letter to the member's last known address.
- (c) *Filling Classification.* When the board has terminated the membership of a member as provided for in this section, this club shall not elect a new member under the former member's classification until the time for hearing any appeal has expired and the decision of this club or of the arbitrators has been announced. However, this provision shall not apply if, by election of a new member, the number of members under the said classification would remain within provided limitations even if the board's decision regarding termination is reversed.

Section 6 – Right to Appeal, Mediate or Arbitrate Termination.

- (a) *Notice.* Within seven (7) days after the date of the board's decision to terminate membership, the secretary shall give written notice of the decision to the member. Within fourteen (14) days after the

Section 9 – Forfeiture of Property Interest. Any person whose club membership has been terminated in any manner shall forfeit all interest in any funds or other property belonging to this club if, under local laws, the member may have acquired any right to them upon joining the club.

Section 10 – Temporary Suspension.

Notwithstanding any provision of this constitution, if in the opinion of the board

- (a) credible accusations have been made that a member has refused or neglected to comply with this constitution, or has been guilty of conduct unbecoming a member or prejudicial to the interests of the club; and
- (b) those accusations, if proved, constitute good cause for terminating the membership of the member; and
- (c) it is desirable that no action should be taken in respect of the membership of the member pending the outcome of a matter or an event that the board considers should properly occur before such action is taken by the board; and
- (d) that in the best interests of the club and without any vote being taken as to his or her membership, the member's membership should be temporarily suspended and the member should be excluded from attendance at meetings and other activities of this club and from any office or position the member holds within the club. For the purposes of this clause, the member shall be excused from fulfilling attendance responsibilities;

the board may, by a vote of not less than two-thirds of the board, temporarily suspend the member as aforesaid for such period and on such further conditions as the board determines, albeit for a period no longer than is reasonably necessary in all the circumstances.

Article 2 (Name) and Article 3 (Locality of the Club) of the constitution shall be amended at any regular meeting of this club, a quorum being present, by the affirmative vote of not less than two thirds of all voting members present and voting, provided that notice of such proposed amendment shall have been mailed to each member and to the governor at least ten (10) days before such meeting, and provided further, that such amendment shall be submitted to the board of directors of RI for its approval and shall become effective only when so approved. The governor may offer an opinion to the board of directors of RI regarding the proposed amendment.~~

This constitution may be amended at any regular meeting of the club, a quorum being present, by a two-third's vote of all members present, provided however, that such amendment shall be offered in the preceding meeting.

No amendment or addition to these bylaws shall be made which is not in harmony with the Articles of Organization of this club and with the Constitution and Bylaws of Rotary International.

[NOTE 1: Initially, this variance was "not identified" by R. I. Swenson letter dated November 7, 1991. This was based on RI Board decision 139-3 adopted at its March 1990, meeting. This decision was repealed at the November 1993 Board meeting. [Board decision 83-2 reported by fax dated January 4, 1993, from Dennis G. Swenson to Dick Olson.]

[NOTE 2: The R.I. Standard Club Constitution contains a lengthy provision that permits amendment only by the Council on Legislation or the R.I. Convention. This does not apply to the RCM constitution.]

Amended at a regular meeting of the members of the Rotary Club of Madison on February 27, 2002. The qualifications for active membership in Rotary are set forth in the Rotary International Constitution as follows:

THE QUALIFICATIONS FOR ACTIVE MEMBERSHIP IN ROTARY ARE SET FORTH IN THE ROTARY INTERNATIONAL CONSTITUTION AS FOLLOWS:

**ARTICLE 5
MEMBERSHIP**

SECTION 2 - Composition of Clubs.

- A. A club shall be composed of active members who are adult persons of good character and good business, professional and/or community reputation,
- 1) engaged as a proprietor, partner, corporate officer, or manager of any worthy and recognized business or profession; or
 - 2) holding any important position in any worthy and recognized business or profession or any branch or agency thereof and having executive capacity with discretionary authority; or
 - 3) having retired from any position listed in sub-subsection (1) or (2) of this subsection; or
 - 4) being a community leader who has demonstrated through personal involvement in community affairs a commitment to service and the Object of Rotary; or
 - 5) having the status of Rotary Foundation alumnus as defined by the board

and

having their places of business or residence located in the locality of the club or the surrounding area. An active member moving from the locality of the club or the surrounding area may retain membership in the club where the member's board grants such permission and said active member continues to meet all conditions of club membership.

- B. Each club shall have a well-balanced membership in which no one business or profession predominates. The club shall not elect a person to active membership from a classification if the club already has five or more members from that classification, unless the club has more than 50 members, in which case the club may elect a person to active membership in a classification so long as it will not result in the classification making up more than 10 percent of the club's active membership. Members who are retired shall not be included in the total number of members from a classification. The classification of a transferring or former member of a club, or a Rotary Foundation alumnus as defined by the board, shall not preclude election to active membership even if the election results in club membership temporarily exceeding the above limitations. If a member changes classification, the club may continue the member's membership under the new classification notwithstanding these limitations.
- C. The bylaws of RI may provide for active membership and honorary membership in clubs and shall prescribe the qualifications for each.
- D. In countries where the word "club" has an inappropriate connotation, Rotary clubs, with the approval of the board, will not be obligated to use it in their names.

As of Aug. 2, 2011

ROTARY CLUB OF MADISON POLICY MANUAL

The following policies and practices have been in effect, generally, for long periods of time and have become part of the Club's "common law." In most cases they have been adopted as resolutions of the Board of Directors. They have been reviewed, edited, and revised by the Board of Directors, and ratified by the Board on April 1, 1991, May 6, 1991, November 6, 2000 and February 4, 2008. The policies shall remain in effect until changed by the Directors or the membership.

As recommended by the Club Board of Directors and approved by the membership, the Club Secretary shall compile and maintain a Policy Manual that includes club policies and practices, such as board resolutions, that are not incorporated into the Constitution or Bylaws. (5/17/00)

ALCOHOL BEING SERVED AT EVENTS. Respectful of applicable law, the Rotary Club of Madison does not condone the service of an alcoholic beverage to or the partaking of an alcoholic beverage by a person less than 21 years of age at an event sponsored by the Club or by one of Club's Committees or Fellowship Groups. A preferred method of honoring this policy is that the event's organizer not invite and not permit the attendance of a person less than 21 years of age at an event at which alcohol will be served. In those occasional instances in which exclusion is not consistent with an event's purpose, the Club asks that the organizer(s) and every member of the Club present at an event honor this policy by acting affirmatively to protect against consumption of alcohol by a person less than 21 years of age. The Club's Executive Director shall furnish annually to the chair of each Committee and Fellowship Group a description of this policy and may include a statement or reminder of the policy in notices of events as he or she thinks merited. [B/D 9/4/12]

ATTENDANCE. [Policy Statement adopted November 7, 1988]

- A. In the event any active member of the club has not attended at least 50% of the meetings on a semi-annual basis, or has been absent from four consecutive meetings, the member shall be notified in writing of such default, the notice to recite the percentage of attendance of such member, or the dates of four successive absences from meetings. (This policy does not apply to members excused from attendance under the Club's Constitution, Article 9, Section 3b.)
- B. The notice shall inform the member that the member's attendance in the next six months must be 50% or better or the member's membership will be terminated. Attendance of less than 50% during the next six month period will result in automatic termination of membership.
- C. Any member who anticipates he or she will be unable to meet the required attendance in the next six months, may submit a written request to the Board of Directors to be excused from meeting the attendance requirements for "good and sufficient reason."
- D. "Good and sufficient reason" shall include without limitation:
 - I. Health related problems, involving the member or member's immediate family.

2. Unusual or extended travel, related to the member's business, including such matters as a change of employment, a special assignment or other employment-related cause requiring unusual absence or commitment not exceeding a year.
 3. Community service responsibility or responsibilities, requiring an unusual commitment of time and effort, but not to exceed one year.
 4. Absence from the country, and being in a location where it is difficult, uncertain or impossible to achieve "make-up" via attendance at meetings of other clubs.
 5. other extraordinary circumstances determined by the Board of Directors to be reasonable grounds for excusing absences.
- E. It shall be the policy of the club that members with 100% attendance up to the point of a medical disability which prevents attendance, may be given credit to honor and maintain their attendance performance in the club records and summaries. (B/D 4/6/87)

BOARD MEETINGS: ATTENDANCE POLICY FOR DIRECTORS. [B/D 12/8/98, effective 7/1/99]

- A. MEETINGS. The RCM Bylaws provide that "regular meetings of the Board of Directors shall be held semi-monthly on such days as the Board shall determine." By tradition, the main activity of the Board is conducted on the first Monday of each month. The second meeting is usually after a regular noon meeting of the Club in the middle of the month. For the purpose of this Policy the first meeting of each month shall be designated as the Primary meeting and the mid-month meeting shall be designated as the Secondary meeting. Other meetings shall be designated as Special meetings.
- B. ATTENDANCE. It is the responsibility of every Director to attend all Board meetings. If a Director is too busy with other matters or is otherwise unable to attend regularly, then in the interests of the Club, the opportunity should be passed on to a member that will be able to meet the leadership responsibilities.
- C. TERMINATION FOR NON-ATTENDANCE. The term of office for a Director shall automatically terminate upon the occurrence of any of the following:
1. Missing three Primary meetings in succession.
 2. Missing any four Primary meetings in a Rotary year.
- D. INTERPRETATION. It is intended that this policy have no exceptions, such as absences excused for good cause. An absentee Director will be replaced.

CLASSIFICATION: Principles of membership

The organizing principles of the Club's membership are:

- i Worthy businesses, organizations, and professions,
- i Represented by owners, professionals, executives and/or leaders of good character and reputation, with a preference for those who have achieved significant status, recognition or success in their businesses, organizations, professions, or community, and

- i A diversity that mirrors the business, organizational and professional leadership of the greater Madison community.

The Club's members are leading representatives of the community's worthy businesses, organizations, and professions. To assure that the Club's members represent the diversity of our community's businesses, organizations and professions, the Club groups the various businesses, organizations and professions into broad classifications with the goal of securing community leaders from all those classifications among the Club's members.

Limitations upon the number of members from a single business, organization or profession and the number of businesses, organizations and professions in a single classification are, by their very nature exclusionary, but these limits are central to the Club's objective (recognized in the Club's nondiscrimination statement) of continually striving to have the Club's membership mirror the business, organizational and professional leadership of the greater Madison community.

The long-term interests of our Club require that the Classification Committee and Board of Directors encourage in particular proposals for the admission of qualified individuals actively engaged in a business, organization or profession.

- A. QUALIFICATIONS OF ACTIVE MEMBERS. Each active member of the Rotary Club of Madison shall be an adult person of good character and good business and professional reputation, who:
 - 1. Has achieved significant status, reputation or success in his or her business, organization or profession; and
 - 2. Has a place of business or residence located in the city of Madison or the surrounding area; and
 - 3.
 - a. Is engaged as a proprietor, partner, corporate officer, or manager of a worthy and recognized business, organization or profession; or
 - b. Holds an important position in a worthy and recognized business, organization or profession or branch or agency thereof and having executive capacity with discretionary authority; or
 - c. Has retired from a position identified in paragraph (a) or (b) of this subsection [RCM Const. Art. VI, Sec. 3; RI Const. Art. V, Sec. 2]; or
 - d. Is a community leader who has demonstrated through personal involvement in community affairs a commitment to service and the Object of Rotary; or
 - e. Has the status of Rotary Foundation alumnus as defined by the board.

- B. LIMITATIONS ON ACTIVE MEMBERSHIPS.
 - 1. Club not to exceed 550 active members. The Classification Committee may not recommend a person for membership if the Club's active members number five hundred and fifty or more. [Limitation of 550 members adopted by Board of Directors November 2, 1987.]

2. Other service clubs. In order to comply with the obligations of membership in our Rotary club, a Rotarian should not belong to similar community or service clubs which would substantially reduce the member's opportunity to comply with the obligations of members. Existing members of our Rotary club who wish to join a similar community or service organization should seek prior approval from the board of directors. The membership of any member may be terminated by the board of directors for any good cause. This could include not fulfilling the obligations of Rotary club membership due to continued membership in another service club.
3. Membership in other Rotary Club. A member may not be a member of any other Rotary Club except as an honorary member. [RCM Const. Art. VI, Secs. 5 and 6]

C. HONORARY MEMBERSHIPS FOR PUBLIC OFFICIALS AND DISTINGUISHED CITIZENS.

1. Privileges and limitations. The Board of Directors may elect to honorary membership a person who has distinguished himself or herself by meritorious service in furtherance of Rotary ideals. An honorary member does not hold a classification, has no vote, may not hold an office in the Club, is not entitled to any right or privilege in another Rotary club, except for the right to visit other clubs without being the guest of a Rotarian, and is exempt from the payment of admission fees and dues; but is not exempt from payment of luncheon fees or other obligations. An honorary member may attend all meetings of the Club, enjoy all other privileges of the Club including membership on a committee, and may hold an honorary membership in more than one club. [RCM Const. Art. VI, Sec. 6 and 7.]
2. DURATION OF HONORARY MEMBERSHIP. The Board may determine the term of an honorary membership, and the membership automatically terminates at the end of that term. [RCM Const. XI, Sec. 2 (c)] It has been the Club's practice to cause all honorary memberships then in existence to expire annually on June 30, subject to renewal by the Board of Directors. A person elected or appointed to an office or position for a fixed term or who serves at the pleasure of a person elected or appointed to an office or position for a fixed term, may be admitted as an honorary member to represent that office or position only for so long as he or she shall hold it. In any event, the Board may revoke an honorary membership at any time, [RCM Const. XI, Sec. 2 (c)].

D. CLASSIFICATION CONSIDERATIONS.

1. Classification to represent the activity of the organization with which the member is associated or to fairly reflect a member's business or professional activity. The Club's constitution requires that a member's classification be that which describes the principal and recognized activity of the firm, company, or institution with which the member is connected or that describes the member's principal and recognized business or professional activity. [RCM Const. VII, sec. 1] In this connection it is the Club's policy to classify medical doctors engaged in the practice of medicine as "physicians" regardless of their affiliation with the University of Wisconsin or other institution. [Policy of Board of Directors December 7, 1992 and January 8, 1996.]

2. Limitation on number of members from a single classification. To foster diversity of membership the Classification Committee may not consider for membership a person whose fair and appropriate classification is already represented in the Club by 10% or more members, not counting members who are retired. [RCM Const. Art. VII, Sec. 2 limits membership in a classification to 10% of the Club's membership. Members who are retired are not included in the total number of members of the classification. To increase diversity of classifications represented in the Club, the Board of Directors may establish limit the number of members in a classification to a number smaller than 10% of the Club's members.]

3. Limitation on number of members from same business or organization. To foster diversity of membership the Classification Committee may not consider a person for membership if the business, organization, or institution with which the member is associated is already represented in the Club by six or more members, not counting members who are retired. [Since at least November 1997 the Club's policy has been to limit the number of lawyers from one firm to six. This restatement extends the principle to all firms and institutions.] For the purpose of this policy,
 - a. University of Wisconsin. Each college, school, academic department, or distinct administrative unit in the University of Wisconsin system is a separate institution. For example, the law school, the medical school, the school of veterinary medicine, the college of letters and sciences and its departments, the office of the chancellor, and University of Wisconsin System administration is each a separate institution.
 - b. Courts. The Supreme Court of Wisconsin, the Court of Appeals, and the Dane County Circuit Court, and any municipal court is each a separate institution.
 - c. Other state departments, commissions, and independent agencies. Each department, commission, independent agency, or authority of state government is a separate institution.

4. Community service organization volunteers. The Club may loan the classification [community service organization], a classification reserved for persons who have distinguished themselves by years of service as unpaid volunteers in a variety of community service organizations.

5. Rotary Foundation alumni shall be defined as individuals who have participated in a Rotary Foundation of Rotary International funded program. Examples include Group Study Exchange, Ambassadorial Scholarship, Matching and Individual Grant Programs.

6. Holders of Public Office. As described in the Club's Constitution, persons elected or appointed to public office for a specified time shall not be eligible to active membership in this club under the classification of such office, nor shall any staff members of partisan positions be eligible for active membership. This restriction shall also apply to employees of such elected or appointed public officials, but shall not apply to persons appointed to a

nonpartisan position by a board or committee of such officials. This restriction shall not apply to persons holding positions or offices in schools, colleges or other institutions of learning or to persons who are elected or appointed to the judiciary. Members who are elected or appointed to public office for a specified period may continue as such members in their existing classifications during the period in which they hold such office.

- E. CHANGES IN RESIDENCE OR EMPLOYMENT. Membership terminates automatically when a member no longer meets the qualifications for membership, except that:
1. Retirement from business or practice of profession. A member who retires from paid professional or business activity may continue his or her membership in the Club without change of classification. [RCM Const. Art. VI, Sec. 3; RI Const. Art. V, Sec. 2]
 2. Change of residence or location of business. With the permission of the Club Board of Directors, a member who ceases to reside or have a place of business in the city of Madison or the surrounding area may continue membership in the Club if the member remains active in the same classification and continues to meet all other conditions of membership. [RCM Const. Art. VI, Sec. 3; RI Const. Art. V, Sec. 2]
 3. Change of business or employment. A person whose employment is lost may, as long as he or she meets all other conditions of membership, retain that classification. [RCM Const. Art. VI, Sec. 3; RI Const. Art. V, Sec. 2]
- F. REQUIREMENTS AND CONSIDERATIONS FOR INDIVIDUALS. Two or more sponsors required. The Classification Committee may not consider a nomination for membership unless two or more members who know the nominee and attest to the nominee's good character and business or professional reputation sponsor the nomination. [Policy statement adopted May 6, 1992]

There will also be a notation of the last check number on each bill listing provided with checks to be signed and a line for the treasurer or assistant treasurer to initial for verification.
4. As of 2006, Payroll Data Services processes the staff's payroll.
 - It is recommended that the outside accountant, during the annual review process, drill down to review a set number of checks to compare invoices against actual checks. The Executive Director will provide monthly bills packets which will verify above procedures have been followed and will show the numeric sequencing of checks.
 - Executive Director provides the Club Board of Directors and the Budget & Finance Committee with a financial report (cash basis budget against actual on a quarterly basis). In addition, the Budget & Finance Committee Chair will provide oral update reports to the Club Board of Directors on at least a semi-annual basis.
