Through Rotary you will meet people from all backgrounds. Rotary has 1.2 million members worldwide, and our local club consists of nearly 500 community and business leaders. Not only will you make valuable connections, but you will be introduced to new interests and views you wouldn't normally experience. We offer a wide breadth of programs on various local, national and international topics to all of our members.

CREATE CHANGE.

We participate in many hands-on service opportunities. As a member, you shape our community and our future. We focus on three key areas: Basic Needs, Education and Mentoring and Civic Leadership. With Rotary, you'll be able to make a difference in the areas closest to your heart. We've accomplished so much and have plans to do so much more!

MAKE AN IMPACT.

It's people like you who make up the heart of this city—people who promote change and take steps to make it happen. Not only will you improve the world starting with your community and moving across the globe, you'll advance yourself both personally and professionally by connecting with people from every sector.

In Rotary, our purpose is simple: join together to accomplish greatness—greatness for ourselves, our community and our world.

HOW WE HELP

Rotary Youth Exchange Rotary Youth Exchange provides a unique opportunity for greater global understanding among young people in our community and abroad.

OPEN THE DOOR TO CHANGE

Rotarians are passionate about our community, and we understand the effort it takes to make a real difference. Although membership is by individual (and not by organization), membership is often funded by the company you work for because they recognize the value Rotary provides.
